- Questions and Comments

This meeting is being held in accordance with Governor Baker's Executive Order issued on March 12, 2020 which suspends certain provisions of the Open Meeting Law, to enable public bodies to carry out their responsibilities while adhering to public health recommendations regarding social distancing.

The Executive Order relieves public bodies from the requirement in the Open Meeting Law that meetings be conducted in a public place provided that alternative means such as access through telephone, internet, or satellite enabled audio or video conferencing be provided.

The Executive Order also authorizes all members of a public body to participate in a meeting remotely

BPS & JQUS Mission

The Boston Public Schools (BPS) is committed to transforming the lives of all children through exemplary teaching in a world-class system of innovative, welcoming schools. We partner with the community, families, and students to develop in every learner the knowledge, skill, and character to excel in college, career, and life.

Our responsibility is to ensure every child has great teachers and great school leaders. At BPS, we tailor instruction to meet the individual needs of every student. Together, we are:

- Strengthening teaching and school leadership
- Replicating success and turning around low- performing schools
- Deepening partnerships with parents, students, and the community
- Redesigning district services for effectiveness, efficiency, and equity

SWING SPACE

With minor modifications, the entire staff and student body of JQUS will co-locate within the Arlington Street building for the duration of the construction of the new building.

Work in the Arlington Street Building will include:

- Bringing underutilized spaces back online
- Addition of a new HP Accessible Toilet
- Science classroom refurbishment
- Conversion of the Student Lounge into Classrooms
- Expansion of the Cafeteria

Future planning steps include:

- Clean out of both the Lincoln Building building & the Modulares
- Packing and moving (both internal to the Arlington Street building and from the modulares)
- Efficient Master scheduling to optimize space and resources
