

## SECTION 01 11 00: SUMMARY OF WORK/SITE LOCATION

### 1.01 LOCATION

Copley Square, Boston, Massachusetts

### 1.02 GENERAL REQUIREMENTS

The General Conditions, Supplementary Conditions and applicable parts of Division 01 General Requirements are all included as part of this Section. The **Contractor** is required to examine all other sections of the specifications for requirements that may affect the work of this Section. The **Contractor** is also required to coordinate the Work with that of all trades affecting or affected by the Work of this Section, and to cooperate with such trades to assure the continued progress of the Work.

The intent of the Contract Documents is to require that the **Contractor** provide all material, labor and equipment needed in order to furnish a complete Project, and that all of the material, labor and equipment be furnished complete in every respect.

### 1.03 SCOPE OF WORK

A. Work covered by this contract includes but may not be limited to site-work; construction; re-construction; alterations; remodeling or repair of the public works Project described in this paragraph 1.03 including the following major work.

The project shall generally include: demolition of existing pavements, lawn planting and planters, protection of identified trees, and demolition of select portions of the existing fountain. Improvements include: new pavements, raised paving areas, new planting, utility work, new lighting, new soils and irrigation systems, improvements to the existing fountain vault, construction of water feature improvements, and protection and relocation of existing artwork.

### 1.04 DOCUMENTATION

Contractor shall cooperate with the Owner and Landscape Architect to record any and all changes to existing conditions or proposed work that deviate from the contract documents. The Contractor shall furnish all recorded changes to the Landscape Architect to be used for As-Built documents.
